

## Standard Warranty Policy

Aviation Brake Service warrants its overhaul and repair service of aircraft brakes and wheels to be free from defects in workmanship. New installed parts will be covered under the corresponding parts manufacturers warranty. Administration of these warranties shall be the sole responsibility of Aviation Brake Services.

Warranty will be in effect for a period of twelve months since the day of certification. If a claim shall arise, Aviation Brake Services will repair or replace all defective parts at no additional cost to the customer. Claim must first be acknowledged to be fault of Aviation Brake service in order for warranty to be granted. Repairs or replacements will only be accomplished in a pro-rata basis. Components will be certified accordingly.

This warranty shall not supply if any covered component has been improperly handled, damaged, abused, neglected, maintained, or stored. No representative has the authority to make representation or promise agreement except as stated here in.

THERE IS NO OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING WARRANTY OF FITNESS OF ANY PARTICULAR PURPOSE. IN NO EVENT, WILL THE SELLER BE RESPONSIBLE FOR SPECIAL INCIDENTAL OR CONSEQUENTIAL DAMAGES WHATSOEVER.
